

Reduce.

Relight.

Recycle.

**Did you know
you can recycle
your used
CFLs?**

**Not only is it a good
idea, it's the law.**

**In addition to helping
keep our environment
clean, you're saving
energy, too.
Because CFLs use less –
and we think that's a
very bright idea.**

**To find the CFL
recycling location
near you go to
