

FLUORESCENTS SAVE ENERGY. RECYCLING SAVES THE EARTH.

FREE RECYCLING HERE:

- Unlimited Compact Florescent Bulbs (CFLs)

Up to 10 per visit of the following:

- Linear Fluorescent Bulbs
- High-Intensity Discharge Bulbs
- Other Mercury-containing Bulbs

Fluorescent and high intensity discharge lamps contain mercury, and it's illegal to dispose of them in the trash in Maine. Look for the Hg symbol shown here or the words "contains mercury."

Visit www.lamprecycle.org for more information on recycling.
