FREE RECYCLING HERE
WE CAN HELP RECYCLE YOUR LIGHT BULBS

We accept:
• Unlimited Compact Fluorescent Bulbs (CFLs)

And up to 10 per visit of the following:
• Linear Fluorescent Bulbs
• Circline and U-Tube Fluorescent Bulbs
• High-Intensity Discharge/other mercury bulbs

It’s illegal to dispose of mercury containing bulbs in the trash.

Fluorescent and HID Lamps with the symbol \( \text{Hg} \) contain mercury.

Ask an associate for more information on recycling your mercury-containing light bulbs at this location.

Visit www.lamprecycle.org for more information.
